

Creating Your Psych Hub Account

Step 1. You will receive an email from support@psychhub.com

Step 2. Click on the “Accept My Invitation Link”

You're receiving this message because the admin for Demo Account - Professional Training added you as a member of their account on Psych Hub.

To accept the invite and finish setting up your account, click the link below.

Are you using Psych Hub for continuing education credits?

YES

NO

CE Organizations

Psych Hub is approved for continuing education by select state and national accrediting bodies. To earn CE credits, choose the accrediting organizations that apply to your license. If your state isn't listed, that approval isn't available yet — please check if your board accepts national approvals. For course-specific details, see the “CE Information” tab on the course pages.
